2023 Annual Report

For a brighter and more peaceful El Salvador.

A Message from the Board President

In 2023, PEOF celebrated its 15th anniversary of Amún Shéa Center for Integrated Development—fifteen years of working towards creating an educational environment where children and youth have the skills and confidence they need to be changemakers for a better world. We are proud to be the ONLY nonprofit specifically dedicated to improving the rural education system in El Salvador. Thank you for your continued support. Here’s to another 15 years and more! **Partner with us as we work to disrupt poverty and transform rural education for a brighter and more peaceful El Salvador.**

--Michelle Martin Romero, Ph.D.
